Dear Parents,

This week we have been celebrating our love of reading in our new library space. If you have already seen it, I'm sure you will agree how welcoming it is 😊 Our recent INSET day also focused on **Read Write Inc.**, giving staff the opportunity to explore the programme in depth and prepare for its introduction across the school. Throughout the day, teachers and support staff worked together to develop their understanding of the approach, share ideas and plan how it will support our pupils' early reading and writing. We are excited to be moving to this new scheme and look forward to the positive impact it will have on children's phonics, confidence and love of reading.

Parent Survey

We always value the thoughts, ideas and feedback of our parents and carers at Marazion School. Your views help us to celebrate what is working well and to identify where we can continue to improve for all of our children.

We would be very grateful if you could take a few minutes to complete our Parent Survey. The questionnaire is short and your responses will make a real difference in helping us shape the future of our school community.

If you haven't already, please follow the link below to take part before the survey ends: [Parent Survey - Marazion 2026 - Fill in form](#). Thank you for your continued support.

Red Nose Day

Red Nose Day (RND) is next Friday 20th March, we are asking adults and children in school to wear red (this includes face paints!) and make a donation of £1. RND is an annual fundraising campaign created by **Comic Relief** to help raise awareness of, and put an end to, child poverty. RND raises money to keep children safe, healthy and educated. RND donations help Comic Relief fill the shelves of baby banks, community food centres, fund vital community-led services like health workers, local youth safe-spaces, and ensure safe passage for people escaping danger.

Easter Activities

Easter holiday sessions are open for bookings in the local area including HDS, MBA and Penzance Leisure Centre. The following links will take you to booking pages and more information for these: [Activity Finder - Active Cornwall](#) and [Discover - Sports & activities near me](#)

Unwanted Toys Lying Around?

Have you got any small world toys collecting dust at home? Counting Crew would love to have any donations for small world toys, particularly farm animals and farmyard machinery! If you can drop them off at the school office that would be extremely appreciated. Thank you very much!
