Dear Parents,

Over the next few weeks, you may notice a few changes around school as we work towards making our environment calmer and more purposeful for learning. These updates are all about helping children feel settled, focused and ready to learn. A big thank you to our brilliant staff for the time and care they're putting into this. As part of the process, we'll also be having a clear-out, so please keep an eye on emails in case there's anything you'd like to make use of before it goes.

Reception Vision Screening – Thursday 5th February

Children in Reception have a vision screening next week. For more information and opt out options please follow the link:

London Residential – 10th – 13th February 2026

A reminder that at least 50% of the London residential cost needs to be paid before they go. If this is unmanageable please let the school office know and we can discuss a plan. Thank you.

Price Increase for School Dinners

School dinners are increasing to £2.80 after February half term. The trust has tried to keep the increase to a minimum while continuing to provide nutritious, high-quality meals for our pupils.

Illness in School

A reminder that if your child has had sickness and/or diarrhoea they should stay at home until there is a full 48 hours clear of all symptoms.
