Dear Parents,

This week, we have been focussing on our behaviour curriculum in school, reminding ourselves that we are safe, purposeful and respectful. I'm incredibly proud of our children and how they do this every day with kindness at the centre.

Joy and happiness have always been the driving force behind our Marazion curriculum. We want our pupils to be the beating heart of this very special town and work closely with parents and the broader community to forge the best possible provision for all.

Next week, we will be welcoming Crofty's Director of Education, Tamsin Lamb and incoming Chief Executive, Cathryn Andrews to our governors meeting to talk through our journey so far and to work on exciting plans for the future. We will soon be looking to recruit new members to our Local Governance Committee. If you are keen to get involved, please do speak with us.

## **London Residential 10<sup>th</sup> - 13<sup>th</sup> February 2026**

A reminder that at least 50% of the London residential cost needs to be paid by Monday. If this is unmanageable please let the school office know and we can discuss a plan. Thank you.

## **Arbor - Parent Communication**

A reminder that we are now ready to start using the Arbor Parent Portal and Parent App. You can now pay for and book meals, trips etc online through the Arbor App. We will use this for communicating with you through in-app messages and emails. You will also be able to update the data we have through the App instead of having to talk directly to the school office. To finish creating your account you just need to set a password. Your username is the email address we've sent this email to. Go to <https://marazion-school.uk.arbor.education/> and click the 'Forgot your password?' link to finish setting up your account. The Parent App can be downloaded from either the *Playstore* on Android phones or the *Apple Store* on iPhones. Arbor have a 'Getting started' page on their website for the Parent Portal that will help you familiarise yourself with the app here: [Getting started - Log into the Parent Portal and the Parent App](#)
