Dear Parents,

It has been brilliant welcoming everyone back after the 2 week break. The Maths Magicians and Tessellations have had a wonderful week, learning together in new ways in their new classroom environments. Children across school have been particularly enjoying our Guided Reading sessions; reading together in a group to practice fluency and intonation. I have also seen some fantastic shading and blending during artwork around The Great Fire of London. Unfortunately, despite the fantastic efforts of the Counting Crew, Frankie the Flamingo has not yet been found but the children will keep using their binoculars to keep looking this weekend.

Staffing Update

We are saying goodbye to Mrs Stedmon and Mr Case this half term. Mr Case's last day will be Friday and Mrs Stedmon will be with us up until Christmas. We would like to thank them for all their hard work, passion and commitment to Marazion School. Sending best wishes and good luck to you both for new exciting ventures!

Marazion Phone Box with Tetrahedrons

Children in Tetrahedrons are continuing to work on their project for the Marazion Phone Box called a random act of kindness. The new theme will be Remembrance Day with a paper poppy craft kit. Go check it out!

Breakfast Club

We have considered the feedback we received from the surveys, and we will be offering a wider range of foods in Breakfast Club from next week. Alongside cereal and toast, we will have crumpets, occasionally pancakes, granola, porridge, natural yoghurt and a wider selection of fresh fruits. We are also trialing some tasty hot options for a Friday, next week's being beans on toast, and in the future possibly egg and soldiers. There will always be a low sugar option every day, 50/50 or wholemeal bread for toast and water and milk to drink. Thank you for your support with these changes.

Crofty Coastal Crew and Eco Council

Thank you for all of the applications to be part of the Crofty Coastal Crew and Crofty Eco Council. *Fearne* and *Florence C* are representing our school and helping us to develop our sustainable approaches as part of the Eco Council. The Coastal Crew will be announced next week.
