Dear Parents,

This Monday, we will be holding a Festival of Music, giving children the opportunity to take part in a range of exciting musical learning activities throughout the morning. Children will be performing on tuned instruments such as the ukulele, reading musical notation, exploring the history of music, and performing with samba percussion instruments. They will also have the chance to compose their own music using Music IT software and listen to a wide variety of music from different cultures, traditions, and genres from around the world. A big thank you to the children who have kindly offered to bring in their own instruments to perform. We are looking forward to hearing your talents and celebrating music together in what will be a fun, creative, and inspiring day.

Class Photographs

Class photographs took place on Wednesday. Please look out for an email which will be sent through Arbor with the links to visit and purchase the photograph if you would like to.
