Dear Parents,

We have finished the week with a brilliant day celebrating the legend, David Attenborough. All the children thoroughly enjoyed learning about his life and achievements and marked the occasion by creating a special birthday card featuring 100 different hand-drawn animals. As we head into the weekend, we would like to celebrate our fantastic Year 6 pupils, who will be completing their SATs next week. They have all worked incredibly hard, and we could not be prouder of their efforts.

Above and Beyond

Last week, we took our 'Above and Beyond' winners to the beach with their packed lunches for a picnic. It was such a lovely experience, and the children absolutely loved it! Because it was such a success, we've decided to make it a regular reward. Any child who fills their star with 'Above and Beyond' nominations will earn a celebratory packed lunch in a special location. While the weather stays nice, our picnics will be at the beach! Children are nominated when they do something that goes 'Above and Beyond' our day-to-day expectations. Please keep an eye out for an email letting you know when your child has earned their reward. This will continue into next year too, with children reaching this milestone at different points throughout the year.

School Uniform

Just a quick reminder to make sure that children are wearing the correct school uniform each day. On uniform days can children please wear white polo shirts, black or grey trousers/shorts/skirt, school dress, a school jumper or cardigan and black shoes/trainers. On PE days (set out below), black joggers or shorts, a plain white T-shirt and trainers. On Fridays everyone is non-school uniform, preferably something that can get messy, especially for the younger children.

We have our school uniform swap shop, which is open to all to help themselves, even if you don't have anything to swap! At the minute we have lots of school skirts, shorts and summer dresses. Also please continue to donate any outgrown uniform.

Suncream Policy

We are starting to see the sun a bit more which is amazing so can children please bring a sunhat, sun cream and water bottle to school. If children don't have access to their own sun cream, staff will apply the school's own sun cream to children. Please note, as per our Sun Protection Policy, in any case whereby a parent does not wish a member of staff to apply sunscreen to their child, a declaration note must be signed by the parent to confirm this.

SATs Breakfast

An email has gone out to parents welcoming all year 6 to school for a filling breakfast before taking part in SATs. There are bacon baps, sausage baps, cereal and toast on the menu. See you all there.

Sports Day

Sports Day will be on Monday 18th May. All children will be taking part in fun sporty activities in the morning such as obstacle courses, golf and high jump. Parents are then invited to the school field at 1.30pm to cheer on their children in the traditional races. We will be selling ice-creams at the end for a small fee to raise some funds. Thank you for your support, it is always a great afternoon!

Birthdays in School

We kindly ask that families do not bring sweets, cakes, or other treats into school to celebrate birthdays or other occasions. This policy helps us maintain a safe and inclusive environment for all children, including those with allergies or dietary restrictions. Birthdays can still be celebrated in other meaningful ways like donating a book or a plant to the class or just enjoying the day with friends. Thank you for your understanding with this.

Breakfast Club and After School Clubs

Please note, some after school clubs are now £1 a session. Also, another reminder that breakfast club prices have now increased to the April prices. We are looking into the possibility of having online bookings to make booking and payments an easier process. However, for the moment, can cash for breakfast and after school clubs be paid to the office please.

	Children in Receipt of Pupil Premium Funding	Other Pupils
