Dear Parents,

As we come to the end of another busy and successful year, we would like to say how incredibly proud we are of all the children at Marazion School. Our small but mighty community continues to shine through its kindness, resilience and enthusiasm, making our school such a special place to learn and grow. Thank you to our wonderful staff, families, governors and friends for your continued support. We wish everyone a happy and restful summer and look forward to another exciting year ahead in September.

Goodbye Edna

As we come to the end of another school year, we say a fond farewell to Edna, who is leaving after 22 years of dedicated service at Marazion School. Throughout her time here, she has been a valued and much-loved member of our school family, making a lasting difference to the lives of countless children, families and staff. Working in the school office, Edna has been at the heart of school life, keeping everyone organised and helping the school run smoothly each and every day. Whether welcoming visitors with a smile, supporting colleagues behind the scenes, or being the friendly voice at the end of the phone for parents and carers, her kindness, efficiency and unwavering support have been appreciated by all. She will be greatly missed by everyone in our school community, and while we are sad to see her go, we are incredibly grateful for everything she has given to Marazion School over the years. We wish her all the very best for the future and hope she enjoys every moment of spending precious time with her family and friends, creating wonderful new memories. She leaves some very big shoes to fill, but we promise to do our very best to keep everything running smoothly without too many messages asking where things are or how she managed to keep us all so organised! Thank you, Edna, for everything.

Our Amazing Year 6 Leavers

As we say goodbye to our wonderful Year 6 leavers, we do so with immense pride, love and best wishes for the exciting journeys that lie ahead. This remarkable group began their primary school years during one of the most challenging times in recent history, navigating their education through the uncertainty of the COVID-19 pandemic with resilience, courage and determination. For some of our children, this school has been their second home from the very start, and it has been a privilege to watch them grow from tiny Reception pupils into the confident, kind and inspiring young people they are today. Others joined us along the way, bringing their own unique talents and personalities, and together they have become a truly fantastic team. The friendships they have built, the challenges they have overcome and the memories they have created will stay with them forever. As they move on to their chosen secondary schools, we send them all our love, luck and encouragement. We have no doubt that each and every one of them will continue to shine, achieve great things and make us proud. Good luck, Year 6, your next adventure awaits!
