Dear Parents,

Our first full week at school has been a busy one with children getting to grips with lots of new online learning platforms. We are now using Class Dojo, Accelerated Reader, Maths Whizz and Times Table Rock Stars. These are all completely free for parents and carers, so please ignore any pop ups asking you to upgrade and pay a subscription. Your child's login details can be found in their reading record. If you have any problems logging in or accessing any of the platforms, please don't hesitate to contact your child's class teacher, who will be happy to help.

Accelerated Reader

This week, the children have all started to use Accelerated Reader (AR). This is a computer program that helps your child's teacher to manage and monitor children's independent reading. All of our books have been colour-coded and your child knows which colour books they need to read. Once they've read a book, they can take a short quiz to assess their comprehension. Children using Accelerated Reader choose their own books to read, rather than having one assigned to them. This makes reading a much more enjoyable experience as they can choose books that are interesting to them. If you would like any extra information about AR, please contact your child's teacher.

Attendance

Every day in school is an opportunity to learn something new, spend time with friends and be part of our school community. The national attendance expectation is 93.3%, currently, Marazion is at 95.4%. Let's continue this positive trend of exceeding the national averages! Every day really does count! Thank you for your continued support in helping your child make the most of every opportunity at school. A more formal letter is attached which we are required to send. As ever, we will always support you and your family.

IMS Prussia Cove Concert

On Monday 14th September, IMS Prussia Cove, a renowned classical music organisation are performing to the school. This promises to be a fun, interactive and a lovely introduction to classical music for all ages

Community Clear-Up Day – Friday 2nd October

We're having a Community Clear-Up Day on Friday 2nd October and would love your help! There are lots of jobs to get stuck into, including gardening, moving soil, weeding and painting. You don't need to come along for the whole day — even an hour of your time would be absolutely brilliant and very much appreciated! Please bring any equipment such as wheel barrows, spades or paintbrushes. Miss Oliver will be doing a health and safety briefing at 9am. If you're unable to make it for 9am, don't worry — she can catch you up on everything you need to know when you arrive. Thank you so much for helping us make our school grounds look fantastic! 

Stars of the week

Julia Donaldson Class

- Sydney for enthusiasm and a brilliant start to school.

Jon Klassen Class

- Callie for amazing confidence and independence in her work.

Malorie Blackman Class

- Robyn for super commitment to reading.
